

Table of Contents

Guang-Pei Lu, Yun-Na Zhu, Li-jing Ji, Xuan Wu, Xiao-Nan Yu, Jaime A. Teixeira da Silva - Variation in Nitrogen Content of <i>Paeonia lactiflora</i> 'Da Fu Gui' during the Growing Season under Field Production	1
Boruz Violeta, Dihoru G., Răduțoiu D. - Areal limit in the Romanian territory: 7. <i>Corylus colurna</i>	5
Cioloa Mihaela, Molnar Z., Nistor Andreea, Baciu Anca - Experimental results on the tuber yield of some potato isogenic lines under "insect-proof" tunnels and open field conditions	10
Ciortan Ioana - Contributions to the mycobiota knowledge of spruce forests from Obârșia Lotrului health resort(Romania)	16
Jaime A. Teixeira da Silva - 24-Epibrassinolide and 28-homobrassinolide, two brassinosteroids, inhibit protocorm-like body development in hybrid <i>Cymbidium</i> (Orchidaceae)	22
David Roxana, Băla Maria - Cross pollination on randomly chosen commercial varieties of Phalaenopsis	28
David Roxana, Băla Maria - In vitro plant growth and rooting of <i>Dendrobium nobile</i> using different growth hormones concentration	32
Diaconescu M^{1*}, Hoza D¹, Ion Ligia - Serological ELISA test of some Black currant and Red currant cultivars	36
Diaconescu M., Hoza D., Ion Ligia - Researchs on determination of organoleptic qualities of the black and red currant fruits	39
Doncean Ancuța, Șumălan Renata, Șumălan R. - Influence of different types of composts on growth and chlorophyll content from tomato seedlings	43
Draghici G.A., Sida Lidia, Boroza Aurica – Breica, Nica D., Alda S., Alda Liana, Gogoasa I., Gergen I., Bordean Despina-Maria - Mineral content of some <i>Cruciferae</i> species, available on romanian market	49
Draghici G.A., Lupu Maria Alexandra, Boroza Aurica – Breica, Nica D., Alda S., Alda Liana, Gogoasa I., Gergen I., Bordean Despina-Maria - Red cabbage, millennium's functional food	52
Mulugeta Gedif, Dessalegn Yigzaw, Genet Tsige - Genotype-Environment Interaction and Correlation of Some Stability Parameters of total Starch Yield in Potato in Amhara Region, Ethiopia	56
Gogoasa I., Jurca Violeta, Alda Liana Maria, Velciov Ariana, Rada Maria, Alda S., Sirbulescu Claudia, Bordean Despina Maria and Gergen I. - Mineral Content of Some Medicinal Herbs	65

Gogoasa I., Pirvu Alexandra, Alda Liana Maria, Velciov Ariana, Rada Maria, Bordean Despina Maria, Moigradean Diana, Simion A. and Gergen I. - The Mineral Content of Different Coffee Brands	68
Lazăr-Bâra A. P. - Landscape change and tourism - Eastern Carpathians perspectives	72
Petrisor Cristina, Ilie Alina, Moale Cristina - Production and quality potential of different black and red currant cultivars in Baneasa Research Station condition	76
Sumălan Renata, Yvin J- C, Sumălan R. L. - Study on the composition of rhizosphere microbial communities and their importance for the improvement of plant nutrition	80
Croitoru D.C., Baci A.A. - Influence of variety and shape crown of the quantitative fruits in the growing Basin Târgu Jiu	87
Urechean Viorica, Bonea Dorina - Data on pollen-mediated gene flow from genetically modified maize to conventional maize under simultaneous sowing conditions	90
Ropciuc Sorina - Study on the influence of climatic factors on rosehip phenology in Bukovina	95
Lia Shooshtari, Mansour Omid, Eslam Majidi, Mohammadreza Naghavi, Mansour Ghorbanpour, Alireza Etminan - Assessment of somaclonal variation of regenerated <i>Ducrosia anethifolia</i> plants using AFLP markers	99
Atena Alaghemand, Mansour Ghorbanpour, Behnaz Moghaddasian - Tropane alkaloids elicitation of black henbane parts with calcium and nitrogen application under hydroponics culture	107
