
Table of Contents

Hossein Salehiarjmand, Samad Nejad Ebrahimi, Javad Hadian, Mansour Ghorbanpour - Essential oils main constituents and antibacterial activity of seeds from Iranian local landraces of dill (<i>Anethum graveolens</i> L.)	1
Hermeziu Manuela, Hermeziu R. - Efficacy of copper fungicides to control potato late blight in organic crop	10
Buta Erzsebet, Buta M., Horț Denisa, Dan V.-S., Cantor Maria - Arrangement of Southern balconies and terraces with permanent floral compositions (I)	15
Buta Erzsebet, Buta M., Horț Denisa, Dan V.-S., Cantor Maria - Arrangement of East balconies and terraces with permanent floral compositions (II)	23
Lupescu M. - Fir growth variability on an altitudinal gradient in northeastern Romania	31
Lupescu M. - Variability of growth series statistical parameters in northeastern Romania	40
Lazăr Andreea Maria, Baci A. A. - Morpho-anatomical differentiation relating to annual growth at standard and columnar type apple genotypes	48
Banu T.P. , Banu C., Banu C.A. - GIS-based assessment of fire risk in National Park Domogled-Cerna Valley	52
Horț Denisa Andreea, Cantor Maria, Buta Erzsebet, Zaharia A. - The monitoring and evaluation of <i>Gladiolus</i> genitors for the Romanian breeding programme	57
Dămureanu Andreea Ionela, Baci A.A. - Behavioral study to climate change on peach varieties cultivated on the sand area of Oltenia	61
Enescu C.M. - The role of Tree-of-Heaven in Forest Land Reclamation: A Brief Review	66
Moale Cristina - Growth of some nectarine varieties depending on the canopy shape	70
Nicolae I., Camen D., Lascu N., Ploae Marieta - Research regarding influence of organic fertilization on the physiological processes intensity in watermelon plants	78
Nicolae I., Camen D., Lascu N., Ploae Marieta - Physiological research in <i>Citrullus lanatus</i> (Thunb.) Matsum. & Nakai plants cultivated on sandy soils organic fertilized	84
Rusu L. T. - Influence of grazing on the forest soil in Production Unit IX Dognecea, Bocșa Română Forest District, Reșița Forestry Directorate	90
Rusu L. T. - Negative effects of grazing on the natural seedlings layer from the forests of Dognecei Mountains, Romania	94

Madoșă E., Velicevici Giancarla, Ciulca Adriana, Gorinoiu Gabriela, Avădanei C., Mureșan Nora, Sasu Lavinia, Chiș S.jr. - Study of selection indexes for some resistance traits in a winter oats (<i>Avena sativa</i>) genotype collection	101
Madoșă E., Velicevici Giancarla, Sasu Lavinia, Ciulca S., Avadanei C., Chiș S.jr. - Studies regarding the variability of daffodils population (<i>Narcissus stellaris</i> L.) from „Meadows with daffodils of Zervești”	106
Rătoi I., Croitoru Mihaela - Regarding on fertilization of vineyards in two years after planting on the sandy soils from Southern Oltenia	109
Merce O., Borlea Gh. F., Turcu D. O. - Definitions and structural attributes of the ecosystems from natural forests – short review	114
Cântar I. C. - Renaturation of tailing dumps – short review	121
Cântar I. C., Borlea Gh. F., Chisăliță I. - Research on amount and contents of litter on the plantation from the tailing dumps from Moldova Nouă	127
Botau Dorica, Simina Alina - The Bitter melon callus growth (<i>Momordica charantia</i> L.) in different <i>in vitro</i> systems	133
Bozac P., Botău Dorica, Popescu Sorina, Boldura Oana, Alexa Ersilia - Distribution of <i>Fusarium</i> species in Timis County (Western Romania) in relation with environmental conditions	137
Nistor Eleonora, Dobrei A., Dobrei Alina, Kiss Erzsebet, Ciolac Valeria - Grape pomace as fertilizer	141
Nistor Eleonora, Dobrei A., Dobrei Alina, Bampidis V., Ciolac Valeria - Grape pomace in sheep and dairy cows feeding	146
Sala F., Iordănescu Olimpia, Dobrei A., Jivan Claudia - Contribution of foliar fertilization and calcium supplement in achieving apple production	151
Iordănescu Olimpia Alina, Costea Viorica Adriana, Olaru Daniela Nicoleta, Costea B. - The behavior of some peach tree varieties belonging to the world collections concerning growing and fructifications	158
Olaru Daniela Nicoleta, Iordănescu Olimpia Alina, Blidariu Aurelia, Moatăr Mihaela Maria, Brădean (Todor) Diana Ramona, Lupșorean Ioana - Research concerning the behaviour of some local apple tree varieties in the Caransebeș Village	165
Schneemann N.M., Cârciu Gh. - Research concerning the influence of tillage on soil moisture (%) and soil water supply (m ³ /ha) in grain maize in the Banat's plain	168
Țenche-Constantinescu Alina-Maria, Varan Claudia - The diversity of the landscape and the morfostructural types of settlements in the district of Râu de Mori	171
Țenche-Constantinescu Alina-Maria, Varan Claudia - Historical monuments, cultural edifices and medieval architecture - the cultural touristic potential for the village Râu de Mori	178
Chiș-junior, S., Podrumar ,T., Ciutină,V., Balint, Maria-Mihaela, Bodescu, Adina-Maria, Hălmăgean, L. - Green Fertilizers- Fertilization Alternative for an Ecological Viticulture	185

Chiş-junior, S., Podrumar ,T., Ciutină,V., Balint, Maria-Mihaela, Bodescu, Adina-Maria, Hălmăgean, L. - Supervision of the population of <i>Lobesia botrana</i> DEN. ET. SCHIFF (the green moth of the grape) using pheromone traps	188
Țenche-Constantinescu R. V., Borlea Gh. F., Popescu Sorina, Bănăţean-Dunea I., Țenche-Constantinescu Alina-Maria - Preliminary researches referring to the variability of the species <i>Chondrostoma nasus</i> in the rivers Timiș and Bega	191
David I., Danci M. - The monitoring of lipoxygenase on flour used for manufacturing of pasta products	198
David I., Danci M. - The consistographic determinations of different types of amylase on the bread dough	203
Șimonea Luciana Mariana¹, Șumălan R. - Amino acid compozition of some common bean landraces from Caraș-Severin county, of Romania	208
Șimonea Luciana Mariana¹, Șumălan R. - Germinative response of some common bean landraces from Banat region of Romania	211
Ciornei I., Drăgoi M. - The Effect of the Topographical Scale upon the Morphometric Parameters of Torrential Watersheds	213
Ciornei I., Drăgoi M. - Dynamics of hydrological parameters in a small torrential basin covered with full-stocked forests	220
