

## Table of Contents

<b>Bhattarai Prakash, Gautam I.P.</b> - Participatory Evaluation of True Potato Seed (F1C2 Tuberlets) for Potato Production at Kabhrepalanchok district, Mid Hills of Nepal	1
<b>Adascalului M., Hoza D., Moale Cristina, Ion Ligia</b> - Researches on phenotypic evaluation of apricot hybrids concerning the genetic resistance to ppv ( <i>Plum pox virus</i> )	8
<b>Adascalului M., Hoza D., Ion Ligia</b> - Behavior study for pollination a romanian apricot varieties using different source of resistance to sharka	13
<b>Alexe Constanta, Lamureanu Gh., Chira Lenuta, Pricop Simona</b> - Assessment of storage capacity of some white cabbage varieties according to histological and histochemical structure	18
<b>Carmen Liliana Bădărău, Damșa Florentina, Nicoleta Chiru</b> - Effects of some electrotherapy treatments of pvx infected potato plantlets cv. Roclas, on several biological development indicators	25
<b>Cadar N., Merce O., Turcu D. O., Cântar I. C.</b> - Management measures in “Bazos Arboretum” protected area	30
<b>Cântar I. C., Simon-Cernescu Nicoleta</b> - Research on renaturation process in forest plantation installed on tailing dumps from Moldova Nouă area	34
<b>Cântar I. C., Merce O., Cadar N., Simon-Cernescu Nicoleta</b> - Expanding of <i>Tuber melanosporum</i> truffle in culture - case study	40
<b>Caplan I., Lamuranu Gh., Alexe Constanta</b> - Behavior in the nursery of some new cherry tree varieties in the conditions from Dobrogea	45
<b>Lamureanu Gh., Alexe Constanta, Vintila M.</b> - Suitability for processing as puree of some fruit varieties of peach group	51
<b>Lamuranu Gh., Alexe Constanta, Caplan I.</b> - Behaviour of Excelsior peach variety grown in the conditions of Romanian seacost zone	58
<b>Merce O., Turcu D. O., Cântar I. C., Cadar N.</b> - Specific management measures for the 9260 habitat – Forest vegetation with <i>Castanea sativa</i>	64
<b>Moatăr Mihaela, Chisăliță I., Ștefan Carolina, Stanciu S., Fora C.</b> - Study on forest accessibility and collection distances from Moldova Nouă, as the key in defining of eco-productive technologies	67
<b>Moatăr Mihaela</b> - Researches concerning the behavior of torrents correction works from Valea Miniș River Watershed	73
<b>Turcu, D. O., Merce O., Cântar I. C., Cadar N.</b> - Investigating forest canopies	77

using modern field-based methods

<b>Turcu, D. O., Merce O., Cadar N., Simon-Cernescu, Nicoleta</b> - Specific management measures for the beech forest habitats from Western Romania	83
<b>Simina Alina, Botau Dorica, Popescu Sorina</b> - The evaluation of somatic variability in the callus of bitter melon ( <i>Momordica charantia L.</i> ) using molecular methods	87
<b>Petrisor Cristina</b> - Physical and chemical traits of new apricot fruit selections	92
<b>Simon-Cernescu Nicoleta</b> - Ecological reconstruction of <i>Pinus nigra spp. banatica</i> stands from the South-Western Romania	95
<b>Vizitiu Diana, Onache Anca</b> - The influence of main climatic factors on <i>Chardonay, Feteasca regala, Sauvignon</i> and <i>Feteasca neagra</i> varieties	100
<b>Vâscă- Zamfir Diana, Bălan Daniela, Luță Gabriela, Gherghina Evelina</b> - The response of <i>Coleus sp.</i> plants to treatment with growth regulators	106
<b>Saif Malik, Shoaib ur Rehman, Adnan Younis, Muhammad Qasim, Muhammad Nadeem, Atif Riaz</b> - Evaluation of quality, growth, and physiological potential of various turf grass cultivars for shade garden	110
<b>Misca Corina , David I., Jianu C., Rinovetz A., Bujanca G., Misca C.B., Marginean Oana-Maria, Misca L.C.</b> - Evaluation of the microbiological contamination of air in a company designed to obtain wooden packaging and sticks used in the food industry	122
<b>Costescu Corina Iuliana, Hădărugă Nicoleta Gabriela, Szakal R., Pogor Veronica, Popescu (Pintilie) Georgeta Sofia, Riviș A., Hădărugă D. I.</b> - Antioxidant activity of thyme extracts. Influence of the extraction solvent	126
<b>Popescu (Pintilie) G. Sofia, Velciov Ariana-Bianca, Costescu Corina, Gogoasa I., Gravila Corina, Petolescu Cerasela</b> - Chemical characterisation of white ( <i>Morus alba</i> ), and black ( <i>Morus nigra</i> ) mulberry fruits	133
<b>Iancu T., Hurmuzache Tabita Cornelia</b> - Characterization of tourism activity from Central Region, Romania	136
<b>Iancu T.</b> - Issues characterizing Romanian agricultural production	143
