

Table of Contents

Peșteanu A., Balan V., Ivanov I. - Influence of grow regulator auxiger on development and fructification of cherry trees	1
Alda S., Alda Liana Maria, Cristea T.¹, Gogoasa I., Carciu Gh., Turc Alina, Bordean Despina Maria - Study on Zn accumulation in <i>Beta vulgaris L.</i>	7
Alda Simion, Alda Liana Maria, Cristea T., Gogoasă I., Moigrădean Diana, Drăgunescu Anca, Danci M. - Study on Cu accumulation in <i>Beta vulgaris L.</i>	10
Cârciu G., Cristea T., Turc Alina , Negrea Monica , Cîrciu D.V. - Influence of some cultivation technologies on weeding and production in grapevine	13
Cârciu Gh., Alda S., Danci M., Cristea T., Alda Liana Maria, Turc Alina, Cîrciu D.V. - Influence of ploughing on soil physical features	19
Jeberean M. G., Bala Maria - Aspects concerning the clamping rate of <i>Campsis radicans</i> and <i>Parthenocissus quinquefolia</i> cuttings, treated with rhyzogene substances in different culture conditions	23
Jeberean M. G., Bala Maria - Researches concerning the clamping rate of cuttings of <i>Bougainvillea spectabilis</i> and <i>Pandorea jasminoides</i> , planted in different planting periods	27
Baciu Anca, Mike Luiza, Tican Andreea, Cioloca Mihaela, Sărac I. - Results regarding the determination of certain culinary quality and nutritional indicators for some potato varieties cultivated at Station of Research and Development for Potato Culture Târgu Secuiesc	32
Hermeziu R., Ștefan Floriana Maria, Prodan Delia, Bărăscu Nina, Hermeziu Manuela, Bădărău Carmen Liliana - SEVASTIA – A new potato variety created at NIRDPSB Brasov	38
Korenkova Lucia, Urik M. - Effect of soil properties and utilization on water repellency in cambisols in White Carpathians, Slovakia	42
Becherescu Alexandra, Horgoș A., Hoza Gheorghîța, Popa D., Drăgunescu Anca - Influence of natural fertilizers with foliar application on the photosynthetic output of some long cucumber hybrids	49
Bonciu Elena - The offer for the processed and unprocessed Romanian organic food products - market study for the city of Craiova	56
Bonciu Elena, Iancu Paula, Mîndrilă Gheorghîța - Observations regarding the <i>in vitro</i> regeneration to <i>Zea mays L.</i> under the influence of a modified culture medium	60
Veringă Daniela - Identifying of some tomato varieties for industrialization with resistance to storage	64

Boboc Paula (Oros), Cantor Maria, Pop Rodica - Studies concerning <i>in vivo</i> and <i>in vitro</i> vegetative propagation of <i>Passiflora quadrangularis</i> species	69
Boboc Paula (Oros), Cantor Maria - The <i>Passiflora</i> genus - New perspectives in flower production in controlled environment	77
Camen D., Dragomir Carmen, Căndea-Crăciun V.-C., Djulakovic V.R., Moatăr Mihaela, Petcov Andreea, Sala Florin, Nistor Eleonora - Variation of some physiological parameters in energy willow biotypes	82
Chisăliță I. ,Vișoiu Dagmar, Crăcinescu A. - New approaches of injuries assessment on forest ecosystems through logging	88
Buzatu Gilda-Diana, Dodocoiu Ana Maria - Study to assess the presence of micro-, macroelements and heavy metals within the soil – grapevine plants system	97
Croitoru Mihaela, Diaconu Aurelia, Drăghici Reta, Dima Milica - The dynamics accumulation of biochemical components in sweet potato tubers depending on the variety in the conditions sandy soils of southern Oltenia	103
Dima Milica, Diaconu Aurelia, Croitoru Mihaela, Drăghici Reta, Ciuciuc Elena - Species of medicinal and aromatic plants adapted to conditions on sandy soils	112
Enache V., Paraschiv Alina, Croitoru Mihaela - Diurnal variation of physiological processes at apricot specie grown on sandy soils in the climate change context	117
Enescu C.M. - Which clustering techniques provide the best separation between linden species from Romania?	121
Doniță N., Vișoiu Dagmar, Chsăliță Ion - Trees, shrubs and forest phytocenosis as ecological and geographical indicators	126
Stojićević D., Ilić Aleksandra, Sekulić Tatjana, Stupar Vladanka, Božić Dragana, Vrbničanin Sava - Distribution of weedy sunflower on territory of Republic of Serbia and potential risks for agriculture	132
Gocan Tincuța-Marta, Andreica Ileana, Lazăr V., Ungureanu Ana-Maria, Rózsa Melinda, Rózsa S. - Studies on behaviour of two cultivars of Lavender in Cluj county conditions	138
Gocan Tincuța, Andreica Ileana, Rózsa S., Gocan M., Pop Nastasia - Issues on cultural variety and area on grape seeds oil yield	142
Becherescu Alexandra, Horgoș A., Dinu Maria, Popa D., Drăgunescu Anca - Photosynthetic stimulation and its influence on the productive output increase in tomato hybrids	146
Aslău Teodora-Ioana, Camen D., Dragomir Cornelia-Emilia, Popescu Sorina - The Influence of Hydric Stress on some Physiological Processes and the Expression of HSP Genes in Rapeseed (<i>Brassica napus</i>)	154
Hermeziu Manuela, Barascu Nina, Ianosî Maria, Stefan Floriana Maria, Hermeziu R., Chelmea Carmen - Culinary aspects of different varieties influenced by the interaction between density and late blight control technology	162
