Gradinariu F., Mutu Mirela Elena, Jaluba Iuliana - Aspects regarding the dynamics of pests found in forest nurseries in North-East of Moldova during 2009-2011	1
Gradinariu F., Bodescu C., Mutu Mirela Elena, Jaluba Iuliana - The dynamics of the damage caused by <i>hylobius abietis</i> (L.) in the first two years after the spruce plantations establishment in relation to the control measures applied	10
Brizu Diana Mihaela, Bala Maria - Varieties of roses of the thea group used in landscaping in Timisoara and their morphological behaviours	16
Brizu Diana Mihaela, Bala Maria - Bioecological and aesthetics behaviour of some rose varieties from thea group at different cutting types	19
David Roxana, Băla M. - Preliminary results on the influence of growth hormones on the <i>in vitro</i> regeneration of Phalaenopsis flower stalks	24
Mutu Mirela Elena, Grădinariu F. - Observations of the regeneration composition in some silvicultural experimental areas of Tomnatic Forest District, Suceava County	28
Enea (Kiss) Elena, Bala Maria - Association of annual flowering plants in a flower bed in the Municipality of Timisoara and results during vegetation in 2011	34
Gabriella Mike - Preliminary studies on the marketing of fresh processed potatoes by using the marketing mix	39
Marinescu Maria Violeta, Șuțan Nicoleta Anca, Oprea Mihaela Ileana - Partial research concerning the behavior of the <i>Hepatica transsilvanica</i> in the process of <i>in vitro</i> micropropagation	42
Lazăr-Băra, A. P. - Urban green space management opportunities for wildlife management. Bird pests	48
Motica R., Baci Anca, Mike Luiza, Vitos I. - Abundance and dominance of aphid species collected in the depression area of Targu Secuiesc	54
Radomir Ana-Maria, Petolescu Cerasela, Tudor Radu C. M. - The assessment of genetic stability of <i>Magnolia x soulangiana</i> and <i>Magnolia stellata</i> plant regenerated <i>in vitro</i> using RAPD markers	58
Pirvulescu A., Sala F. - Nitrogen content in lettuce under the influence of magnetic nanofluids	63
Petre (Sulugiu) Camelia, Carciu Gh. - Research regarding the weeding level in winter wheat and grain maize in Western Caras-Severin County (Romania)	67
Berar C., Băla Maria, Fora C.G., Toța Cristina - Researches concerning landscape planning of the banks of the river Timis in Lugoj, Timis County	72

Berar C., Băla Maria, Fora C.G., Toța Cristina - Researches concerning landscape development project of a roof garden in Timisoara municipality	77
Jalubă Iuliana - The analysis of the spatial distribution of arboretum and its adaption to a series of stationary factors	85
Moatăr Maria Mihaela, Ștefan Carolina, Chisăliță I., Olaru Daniela, Banu C., Dragomir P. - Research on the calculation of work required for development of the hydrographical basin in Unit VII Coltan	91
Moatăr Maria Mihaela, Ștefan Carolina, Chisăliță I., Olaru Daniela, Banu C., Mariș C. - Research on design works of correction of torrential basin in Poiana Mărului	95
Nechita C. - Dendroclimatological analysis of the radial growth rings for oak in Moldova plateau	98
Anches C., Bala Maria - Results in <i>Ficus australis</i> rooting on different substrata and with different rooting enhancers with effect on cutting rooting in the fall	105
Dragomir P.I., Lalescu D.V., Maris C. - Studies regarding the seedling biomass in Uivar, Vermeș- Izgar and Luncavița- Verendin amelioration perimeters	110
Dragomir P.I., Lalescu D.V., Maris C. - Studies regarding the seedling diameter in Uivar, Vermeș- Izgar and Luncavița- Verendin amelioration perimeters	114
Roman Alina Nicoleta, Lazureanu A. - Research regarding the impact of weed control on grain maize yield in 2011	117
Nyagui D., Carciu Gh. - Research on the influence of minimum tillage on physical properties of soil, crop production and quality in winter wheat in Western Romania climate conditions	122
Velicevici Giancarla, Madosa E., Sumalan R., Ciulca S. - The effects of osmotic stress on seedlings growth of barley (<i>Hordeum vulgare</i>)	127
Balint (Panduru) Alina, Cîrciu G. - Monitoring of nitrogen compounds content in underground water from Timis river	132
Cioloa Mihaela, Baciu Anca, Nistor Andreea, Popa Monica - Production of seedling tubers from true potato seed (TPS) in protected area	136
Rancov I., Cârciu G. - Impact of soil works on dynamics and spread of <i>Diabrotica virgifera virgifera</i> LeConte in the conditions of Western Romania	142
Țenche-Constantinescu Alina, Solomonesc A. - The necessity of the durable management of water resources in Timiș County	145
Camen D., Luca Roxana, Hădăruță Nicoleta - Research regarding biochemical characterization of volatile oils in some valeriana genotypes	151
