

Table of Contents

Adnan Younis, Atif Riaz, Sabi-ul-Hasan, Nouman Mustaq, Mansoor Hameed - Response of <i>Hedera helix</i> (English Ivy) to various salinity levels	1
Ehsan Karimi, Azim Ghasemnejad, Javad Hadian, Raziye Akhundi, Mansour Ghorbanpour - Evaluation of morphological diversity and essential oil yield of <i>Satureja mutica</i> Fisch. & C. A. Mey. populations growing wild in Iran	7
Alexe Constanta, Vintila M., Lamureanu Gh. - Researches regarding the maintaining of the quality of the roses depending on storage temperature	17
Cantor Maria, Singureanu V., Horț Denisa, Buta Erszebet - Heliconias - Novelties and applicability in floral art	22
Cantor Maria, Singureanu V., Buta Erzsebet - Researches concerning the diversification of <i>Callistephus chinensis</i> assortment at the floral collection of UASMV Cluj-Napoca	28
Ceuca V., Colișar A., Ivan Ancuța Maria, Hoble Adela - <i>Pinus cembra</i> L. leading shoots and needles variation from Romanian natural stand samples	35
Ceuca V., Colișar A., Ivan Ancuța Maria, Hoble Adela - <i>Pinus cembra</i> L. cones and seeds variation from Romanian natural stand samples	40
Gocan Tincuța Marta, Andreica Ileana - Correlations between the soluble dry matter and the content of vitamin C in the carrot roots	45
Dima Milica, Diaconu Aurelia, Croitoru Mihaela, Constantinescu Emilia - The influence of climatic conditions on the yield and quality of potato varieties cultivated on sandy soils	49
Croitoru D.C., Baciú A.A. - The influence of the shape crown and of variety on the quince phenological indicators in Oltenia's hilly area	54
Croitoru Mihaela, Diaconu Aurelia, Toma V., Milica Dima, Drăghici Reta, Ciuciuc Elena, Rățoi I. Pintilie I. - Researches regarding determining of sources of carbohydrates and vitamin C in the horticultural products on sandy soils	58
Boja N., Boja F., Darau P. A., Teușdea A.C., Popescu I. - A method to improve the sprinkler irrigation uniformity in forest nurseries	65
Negrean G., Ciortan Ioana - Nemoral habitats from Geopark Plateau Mehedinți (România)	75
Negrean G., Ciortan Ioana - Alien and potentially invasive plants from Geopark Plateau Mehedinți	84
Mălăescu Ioana Mihaela, Dobrei A., Dobrei Alina, Drăgunescu Anca, Velicevici Giancarla, Nistor Eleonora - Studies concerning the development of viticulture on Arad, Timis and Caras-Severin areas	96

Mălăescu Ioana Mihaela, Dobrei A., Dobrei Alina, Drăgunescu Anca, Nistor Eleonora, Velicevici Giancarla - Research concerning the quality of some grapes wine varieties grown in backyards vineyards	104
Crăciunescu A., Moatăr Mihaela, Stanciu S. - Considerations regarding the afforestation fields	108
Crăciunescu A., Moatăr Mihaela, Stanciu S. - Planning research on hydrographic basin Cerna	112
Caprar M., Cantor Maria, Sicora Oana, Copaci Cristina, Sicora C. - Optimization of DNA isolation from four species of <i>Rhododendron</i> from Europe	117
Căprar M., Cantor Maria, Szatmari P., Sicora C. - <i>Rhododendron ferrugineum</i> L. and <i>Rhododendron myrtifolium</i> Schott & Kotschy in habitats from Eastern Alps mountains and Carpathian Mountains	123
Berar C., Silivășan M., Băla Maria, Toța Cristina - Researches concerning landscape development project of a roof garden in Timisoara Municipality	131
Berar C., Silivășan M., Toța Cristina, Fora C. - Researches concerning landscape planning of the banks of the Timis River in Lugoj, Timis County	139
Balint Alina, Cîrciu G., Alexa Ersilia, Cozma Antoanela - Monitoring of nitrogen compounds long ways Timis River basin	144
Cadar N. - National Forest Office of France and his involvement in environmental education	151
Dobrei A., Dobrei Alina Georgeta, Sala F., Nistor Eleonora, Mălăescu Mihaela, Dragunescu Anca, Cristea T. - Research concerning the influence of soil maintenance on financial performance of vineyards	156
Dobrei A., Dobrei Alina Georgeta, Sala F., Nistor Eleonora, Mălăescu Mihaela, Dragunescu Anca, Cristea T. - Correlations concerning the grape must sugar concentration and acidity as a result of soil maintenance influence	165
Dobrei Alina Georgeta, Dobrei A., Sala F., Nistor Eleonora, Mălăescu Mihaela, Drăgunescu Anca, Cristea T., Costea B. - Researches concerning the evolution of grapes ripeness in some varieties from Recaș vineyards	174
Dobrei Alina Georgeta, Dobrei A., Nistor Eleonora, Mălăescu Mihaela, Drăgunescu Anca, Moatăr Mihaela, Cristea T. - Researches concerning the suitability of local wine grape varieties in western of Romania, to obtain certain types of wine	182
Poșta Gh., Berar V., Balint M. - Researches regarding the comparative analysis of the influence of different morphological characters in achieving the yield at broccoli in field conditions at the Didactic Base in Timisoara (Romania)	190
Sărac N., Nedelea G. - General and specific combining ability for ear traits in maize	194
Sărac N., Nedelea G. - Genetic analysis of plant height in a half diallel population of maize	198
Trava, I. D., Turcu, D.O., Borlea G.F., Hollerbach W. - Experimenting the control of a new pest – <i>Agriotes</i> spp. – in <i>Salix</i> energetic cultures of Western Romania	202
Trava, I. D., Borlea G.F., Hollerbach W. - Identification of the most productive species from the <i>Salix</i> genus and its use in energetic cultures	209

- Velicevici Giancarla, Madosa E., Ciulca S., Sumalan R., Ciulca Adriana, Petolescu Cerasela., Lazar A., Cretescu Iuliana, Malaescu Mihaela** - Genetic analysis of roots growth in barley (*Hordeum vulgare*) 214
- Velicevici Giancarla, Madosa E., Ciulca Adriana, Coradini R., Oproi E., Petolescu Cerasela, Malaescu Mihaela, Danci M., Merghes P.** - Influence of salt stress upon chlorophyll content at some wheat genotypes 220
