

Table of Contents

Moldovan Iulia-Adriana, Băla Maria - Research Results Regarding Flower Development in <i>Petunia hybrida grandiflora 'Red'</i> in Organic Aquaponics on Floating Shelves	1
Moldovan Iulia-Adriana, Băla Maria - Research Results Regarding the Growth of <i>Crocus chrysanthus 'Ard Schenk'</i> în Organic Aquaponics	7
Agapie Alina Laura, Gorinoiu Gabriela, Horablaga N. M., Rain P., Suba Dana, Pitu S. - The influence of fertilization on production and quality of weath, variety Alex	11
Becherescu Alexandra, Hoza Gheorghîta, Poșta Gh., Popa D. - Importance of crop substratum and foliar fertilizers on yield and quality in hybrid cornichon cucumbers	15
Becherescu Alexandra, Horgoș A., Dinu Maria, Popa D., Balint M. - The impact of organic fertilizers and bioregulators upon the productive and qualitative potential of some eggplant hybrids	21
Petcov Andreea Adriana, Camen D., Turc Alina, Botos Andreia - Ammonium content present in the ground water surface in some places in Caras Severin county, Romania	28
Petcov Andreea Adriana, Corneanu Mihaela, Sarac I. - The characterization of autumn garlic (<i>Allium sativum</i> L.) landraces regarding the traits involved in productivity	31
Moț Claudia Anca, Madoșă E. - Studies on variability of morphological characters in the <i>Primula vulgaris</i> L.	34
Madoșă E., Velicevici Giancarla, Ciulca Adriana, Sasu Lavinia, Ciulca S., Petrescu Irina, Avadanei C. - Studies on morphological characters manifestation of camomile (<i>Matricaria chamomilla</i> L.) in the mine Bârzava - Arad area	38
Botau Dorica, Bozac P., Popescu Sorina, Alexa Ersilia - Micotoxins production by different <i>Fusarium</i> species isolated from Timis County (Western Romania) in relation with geographic area	42
Carp Natalia, Ciulca S. - Study on the dynamics of yield for some strawberry cultivars during the harvest period	47
Carp Natalia, Ciulca S. - Correlative analysis of the relationships among some yield and quality traits in strawberry	53
Crăciun (Nan) Cristina, Băla Maria - Research concerning the effect of some growth stimulators on the leaves number of certain <i>Lisianthus exaltatum</i> varieties	59
Crăciun (Nan) Cristina, Băla Maria - Study of the dynamics of <i>Lisianthus exaltatum</i> leaves number during the vegetation period	63

Ciulca Adriana, Madosa E., Velicevici Giancarla , Ciulca S. - Assessment of phenotypic variability for test weight in six-row barley hybrids	69
Ciulca Adriana, Madosa E., Velicevici Giancarla, Popescu Sorina, Ciulca S. - Diallel analysis of thousand grains weight in six-row winter barley	74
Gorinoiu Gabriela, Agapie Alina Laura, Horablaga N. M., Pitu S., Petolescu Cerasela, Velicevici Giancarla, Danci M., Suba Dana - Estimation of main effects gene that controls the number of grains in ear character to a set of genitors and wheat hybrids	78
Popescu Sorina, Boldura Oana-Maria - Plant genotyping - from molecular markers to DNA barcoding	82
Sumalan R., Beinsan Carmen, Schmidt Brigitta, Sumalan Renata, Yvin J.C. - Influence of "HAZAL" product on commercial and ornamental characters of <i>Tagetes patula L.</i>	87
Sumalan R., Beinsan Carmen, Gaspar S., Pascaru Adina, Yvin J.C. - Researches regarding the influence of fertilization on the main physiological indexes of tomato	93
Țenche-Constantinescu Alina-Maria, Szekely G., Borlea Gh. F. - Improving the urban image of the town of Caransebeș by the extension of green spaces and pedestrian areas in the city centre	100
Dumitrescu V., Borlea Gh. F., Dumitrescu A.,Țenche-Constantinescu Alina-Maria - Nature protection and sustainable conservation of <i>Rupicapra rupicapra L.</i> in the Retezat National Park area	112
Lobiuc A., Cuibari Roxana, Frunzete Mădălina, Naela C., Marian Burducea, Ardelean Mirela, Zamfirache Maria-Magdalena - The Effects of <i>Taxus Baccata L.</i> Aqueous Extracts on Germination, Seedling Growth and Physiological Parameters of Test Species	118
Turc Alina, Cârciu G. Petcov Andreea Adriana - Influence of fertilisation and of weed control methods on weeding rate in the FURIO maize hybrid	126
Suba Dana, Țonea C., Gorinoiu Gabriela, Agapie Alina - Evaluation of genetic variability for some morphological characters in some corn inbreds	133
Simina Alina, Botau Dorica, Ciulca S. - The influence of hormonal balance and in vitro culture duration on the <i>Momordica charantia</i> callus growing	138
Giorgievici A. Ș. , Pascaru A. , Camen D., Petolescu Cerasela, Danci M. - Sodium chloride effect on germination indices concerning White clover (<i>Trifolium repens</i>)	144
Pascaru Adina , Giorgievici A. Ș., Camen D. ,Toth I., Petolescu Cerasela, Danci M. - Ultrasounds effects on germination indices on <i>Vicia sativa</i>	148
