Mihuț Aurelia, Rados Denisa, Bojinescu Florina Nicoleta, Ciolac Valeria, Mihut Casiana, Okros A. - Soils and vegetation specific to the Suceava river basin	1
Mihuț Aurelia, Rados Denisa, Ciolac Valeria, Mihuț Casiana - Use of modern methods of presenting Dobra, Hunedoara County, Romania	4
Borca F., Nan Roxana Daniela, Nistor Eleonora, Dobrei A. - Effect of different phytosanitary treatment schemes on the yield and quality of some wine grape varieties	8
Ciceoi Roxana, Zugravu Maria Mihaela, Iacomi Beatrice - First report of entomopatogenic fungus <i>Akanthomyces muscarius</i> on stored apples in Romania	14
Bona Ana, Iordănescu Olimpia Alina - Researches regarding fruit quality in some fig (<i>Ficus carica</i> L.) Genotypes, grown in Orșova, Mehedinți County	18
Cândea-Crăciun V.-C., Camen D., Sala F. - Agrochemical properties of soil as a prospect for an energy poplar plantation	23
Cândea-Crăciun V.-C., Camen D., Sala F. - Variability expressed at the foliar level by clones of energetic poplar under common pedoclimatic conditions	29
Degianski A., Pîrșan P. - Analysis of yield variability in sunflower under different technological and ecological conditions	36
Petcov D. Z., Stănuș Mirela, Dobrei Alina[†], Dobrei A. - Identification of some local grapevine varieties from Banat area	41
Shalaby Eman, Ihos Salvina, Popescu Sorina - Development of a procedure for the diversity evaluation of <i>Abelmoschus esculentus</i> based on molecular markers	46
Jurchescu Daiana, Burcu Ana-Maria, Ciolac Valeria, Mihuț Casiana - Contributions to the presentation of the types of stations on the forest area of the Lugoj forest district	52
Buhan Ioana Paula, Iordănescu Olimpia Alina - Researches regarding phenological aspects in some walnut (<i>Juglans regia</i> L.) genotypes from Baia Mare area	55
Jurchescu Daiana, Burcu Ana-Maria, Ciolac Valeria, Mihuț Casiana - Contributions to the presentation on analogue support of soil types in the territory of the Lugoj forest district, Timis County Romania	62
Creț Oana-Diana, Păcurar I., Sîngeorzan Steluța-Maria, Negrușier C. - Peatlands from Apuseni Mountains - Conservation and protection	65
Nan Roxana Daniela, Borca F., Dobrei Alina, Dobromir Daniela, Dobrei A.	70

- Physico-chemical and flavour characterization of some red wines from Petrovaselo winery, Timiș County	
Nan Roxana Daniela, Borca F., Dobrei Alina, Dobromir Daniela, Dobrei A. - Research on the characteristics of superior white wines produced in Petrovaselo Winery, Timiș County	75
Onisan E., Irina Petrescu, Sarac I. - The development of sunflower inbred lines with high oil content from wild species	80
Onisan E., Irina Petrescu, Sarac I. - The genetic interaction between sunflower inbred lines in the process of developing high oleic hybrids	84
Lasc C., Mindruleanu A., Ardelean Emanuela, Pele Andreea, Popescu Bianca, Hiticas V., Petrescu Irina, Sarac I. - Effects of nickel on the morphology and cytology of <i>Allium sativum</i> L.	89
Sângeorzan M., Lăncrănjan Georgiana, Pop Ștefania, Șimonca V. - Contribution to the variety of <i>Gymnosperms</i> in the agro-botanical garden and the USAMV CN campus	94
Coritar Francisca, Lasc C.- V., Petrescu Irina, Sarac I. - Variability of quantitative and qualitative characteristics in <i>Lavanda angustifolia</i> L.	99
